

## Saturday Morning Men's Bible Study

I would like to reach out to the men of Willerup and invite them to join us for our Saturday morning Men's Bible Study. The study is held at Willerup every Saturday morning from 8:00-9:30am. This is a 'nose in the bible' study in which we are given scripture verses to read, (usually 15-40 verses) and we fill in our study sheet and come excited and ready to share our thoughts on the scripture in a unique way. Here is a brief description of the ABC-XYZ Study format:

- A- 'A Title':** After praying, reading the assigned scripture, in your own words share a Title for the scripture you read.
- B- 'Best Verse':** Which verse stood out to you as your favorite verse and describe why it is your favorite verse.
- C- 'Challenge':** Choose a verse that challenges you in some way.
- X- 'Cross Reference':** Search for some cross references for a sequence of the assigned verses
- Y- 'Why?':** Share any questions about the scripture
- Z- 'Zealous Action':** Every time we read scripture the Holy Spirit nudges us to take action in some way. Share a 'zealous action' based on our study scripture that we can all pray for until we meet again.

Our Scripture for Saturday November 18<sup>th</sup> is **John 16:1-33**. If you would like to be updated on what scripture we are on every week (this is a 'pop-in' as you can study), please text me (608)219-2098 and/or provide your e-mail address. SEE YOU SATURDAY AT 8???
